

Friday 29<sup>th</sup> November

Congratulations once again to the PE department – this time with Sportshall Athletics teams; 6 schools took part and our Year 7 girls and Y8 boys and girls came first. So they're off to the next stage of the competition!

Our Year 8s had another opportunity to feel what it's like at the High school as they went to see performance of Chicago on Monday. They thoroughly enjoyed it and everyone was amazed at how professional it was.

Thank you to all the Year 6 parents who came to the Sats and Standon Bowers evening on Wednesday. Feedback has been very positive and we hope most of the children will take advantage of the Standon Bowers residential as it is so great for building confidence and teamwork. Many thanks to Miss Riley and Mrs Farr who gave the presentations.

Finally - our main event for this week has been the Black Friday extravaganza. This is run by the maths department as a cunning way to get the children loving percentages! Other departments have linked in this year - English for persuasive speaking and writing and art for display. It all came together at lunchtime today in a wonderful cacophony of buying and selling (no real money involved). Look out for the photos on Facebook!

Have a great weekend.
