## The Lord's Prayer

Our Father who art in Heaven  
Hallowed be thy name.  
Thy kingdom come,  
Thy will be done  
On Earth as it is in Heaven.  
Give us this day our daily bread  
And forgive us our trespasses  
As we forgive those who trespass against us  
And lead us not into temptation  
But deliver us from evil.  
Amen.

### Translation

The year 455. At this time Hengest and Horsa fought with Vortigern the king in the locality named Aylesford and his brother Horsa was struck down. And after, Hengest and Æsc his son inherited the realm.

Even the translation sounds strange and doesn't quite make sense. Can you change it to 21st-century English so that it reads better?
