

Homework - Autumn 2

	Year 5	Year 6	Year 7	Year 8
Art & Design	All Years: Complete a word search for the topic covered.			
	Colour. Words to use:- primary, secondary, tertiary, neutral, contrasting, mixing, harmonious, turquoise - or a colour of your choice.	Tone & Texture. Words to use:- light source, pattern, tone, basic form, pencil, direction, texture, shading, gradient, mark making.	Day of the Dead. Words to use:- celebration, tradition, skeleton, colour, sugar skull, impact, festival, detail, flowers, offering.	Shoes. Words to use:- Andrea Joseph, observation, media, expressive, biro, inexpensive, construction, cross hatching, intricate.
English	All pupils are issued a reading log which is completed on a weekly basis. Pupils are asked to read a minimum of five times per week (15-20 minute sessions) either individually or with a parent / carer. Should a pupil read seven times a week every week until half term, they will be issued a non-uniform pass by their English teacher. English teachers will also be setting homework regularly when opportunities arise in class			
History	Key word definition test. Pupils will be given the definitions of the following words. They need to learn them for a definition test that will take place during the lesson (date in planners).			
	Chronological order, Pharaoh, historian, irrigation, hierarchy, source. <i>Anno Domini, Before Christ</i> , significant, fertile.	Empire, invasion, conquer, impact, chronological order, secondary source, primary source, historian, Celts, revolt.	Chronological order, conquer, secondary source, Norman, bias, heir, historian, source, primary source, succession crisis, interpretation.	Parliament, democracy, dictator, civil war, Royalist, Catholic, Parliamentarian, Cavalier, Roundhead, Protestant.
Languages	Multi-choice quiz Example Questions: a) What is the Spanish word for 'blue'? 1) azul, 2) rojo, 3) blanco, 4) Amarillo b) What does 'Freund' mean? 1) bread, 2) pet, 3) friend, 4) eyes c) What is the correct spelling for the German word for house? 1) Hous, 2) Haus, 3) Hause, 4) Hows			
	Create a multiple-choice quiz for your class with 10 questions about Spanish greetings, numbers, days of the week and months of the year.	Create a multiple-choice quiz for your class with 10 questions about Spanish clothes, food and drink.	Create a multiple-choice quiz for your class with 10 questions about German greetings, numbers, days of the week and months of the year.	Create a multiple-choice quiz for your class with 10 questions about German key words on the holiday topic.
Maths	All years: Complete weekly skills sheets, they are differentiated based on year group & setting. Super Start Homework - all years: TT Rockstars tournaments - dates to be confirmed.			
Music	All Years: Create a word search using key words - others can be added. Make a list of the words that you include underneath the word search			
	Glockenspiel Unit: Glockenspiel, crotchet (one beat), minim (two beats), semibreve (four beats), notes, octave (eight notes), beater, percussion, untuned percussion, tuned percussion.	Baroque Unit: Baroque music (type of music), harpsichord (early common instrument), violin family (biggest section of the orchestra), ground bass (bass line repeated), major and minor scales (become normal), Scarlatti (early composer), Vivaldi (early composer).	Ukulele Unit: Ukulele, tuning pegs, frets, chords, sound hole, bridge, body, strings, Hawaii.	The Blues: Blues (genre of music), Afro-American (African heritage), repeated lines (often the lines to the verses are repeated). Rhyme, rhythm (strong regular repeated sound), slaves, twelve bars (the number of bars in a blues song).
RE	All Years: Decide on the most important 10 key words from your topic and create a wordle of them either electronically or by hand.			

Optional Projects - Autumn 2

	Year 5	Year 6	Year 7	Year 8
Art & Design	Create a colour wheel using everyday household objects or unusual material e.g. use clothes from your wardrobe, bake a cake or cakes/buns, create a 3D sculpture. Photograph your outcome and then bring the photograph into school - or email it the school office office@woodhouseacademy.staff.sch.uk			Explore and research pop art. Look particularly at Roy Lichtenstein - he used Ben day dots and comic strip style work. Create either: 1. A self-portrait in his style Or 2. A comic strip entitled a day in the life at Woodhouse. #gocolourcrazy#makeitpoptastic
Design & Technology			Materials fact file: smart materials.	Materials fact file: metal alloys
English	Short Story - Create a short story using ideas from topics you have studied in English. It could be in the style of a myth, fable or legend. It could be written in the style of Roald Dahl who produces some fantastic characters and stories. Make sure you only use limited characters as the shorty is short. There are a number of websites with some excellent ideas such as Oxford Owl, Scholastic and BBC Bitesize.	Poetry Pack - Create a booklet of poems based on a theme of your choice. You could choose a season such as summer. You could choose an occasion like Christmas, Halloween, or Easter. It could even be a collection of nature poems. You can make different types of poems for example, haikus, limericks, acrostics, free verse or narrative poems. Use illustrations and colour to ensure your booklet is appealing to your teacher.	Script Writing - Using your knowledge of scripts, produce a script based on a book you have read or even create a brand new script using an idea you have. Think about the layout of a script and ensure you include actions and movements from your characters. BBC Bitesize has a section on script writing if you need some inspiration.	Biography of an author - Choose an author who you feel has inspired you over the years and complete an account of their lifestyle in the third person. Make sure you include their achievements, early life, what lead to them becoming an author, pictures of them and their published books. Puffin Schools, BBC Bitesize and scholastic has some examples and ideas on their website.
Languages	Produce a fact file on a Spanish speaking country in Latin America. You could include: location, climate, tourist landmarks, traditions, receipts and famous people from that country.	Research the recipe for your favourite meal and produce a poster about the recipe in Spanish.	Produce a fact file on a German speaking country. You could include: location, climate, tourist landmarks, traditions, receipts and famous people from that country.	Research the recipe for your favourite meal and produce a poster about the recipe in German.
Maths	Create a stall for Black Friday that Mr Williams has spoken about in the maths assembly. Remember to include your discount! (50%, 25%, 10%)	Create a stall for Black Friday that Mr Williams has spoken about in the maths assembly. Remember to include your discount! (50%, 25%, 10%)	Create a stall for Black Friday that Mr Williams has spoken about in the maths assembly. Remember to include your discount!	Create a stall for Black Friday that Mr Williams has spoken about in the maths assembly. Remember to include your discount!
Music	Design and create a percussion instrument.			
PE	Design a drill for a skill (passing, shooting etc) used for your current topic.	Design a drill for a skill (passing, shooting etc) used for your current topic.	Design a drill for a skill (passing, shooting etc) used for your current topic. Include a game at the end that emphasises the use of this skill.	Design a drill for a skill (passing, shooting etc) used for your current topic. Include a game at the end that emphasises the use of this skill.

RE	Create a poster to show your own trinity. Christians believe God takes 3 forms (Father, Son and Spirit). What 3 different things could represent you and your different interests, values, beliefs etc? Draw 3 images and annotate them to explain your choice.	Write a short story where the main character/s face a dilemma and manage to overcome it.	Create a 'symbol' to represent you and your beliefs. Remember, beliefs are things we believe even though there may be no proof or evidence of it.	Create a fact file about one of the influential people you will be learning about in lessons this term (Ghandi, Nelson Mandela or Martin Luther King).
Science	Solar System: Create a poster/model/video of our solar system showing the different planets. Include information about each of the planets and the distances each of them are away from the sun.		Cell Model: Choose a specialised cell and design and make a 3D cell model. You can find some ideas on google or in the science classrooms. The best models will have some details about the cell on them.	
Computer Science			Designing computer systems: You have been asked to design 2 different computer systems. One system will be a gaming machine. This has a budget of £1800. The other system will be used to research to decide which components you will need for each system.	Networking: You have been asked to teach the year 5s about networking. You can choose to present your work on paper or on PowerPoint slides. Use your own words, do not copy and paste. Use pictures or diagrams to illustrate your work. Consider the complexity of your language - keep it simple!
