Optional Projects

Year 5 - Create your own Maya Mask - Summer 2

Create your own version of a Maya mask. Decide which type of mask you are going to create and use the right colours and patterns to decorate it.

Year 6 – Make a Roman shield – Autumn 1

Create your own Roman shield using any material you like. Think about what colours and decorations they would use.

Year 7 – Build a medieval castle – Spring 1

Create your own model of a medieval castle. You can choose any type of castle we have learnt about and use any materials you like.

Year 8 – Create a slave diary – Spring 2

Using what you have learnt so far this topic, create the diary of a slave. You can make your own booklet and age it using any method you like. Make sure to talk about how you are feeling, how you are treated, and what living conditions are like.
