All years: Decide on the most important 10 key words from your topic and create a wordle of them either electronically or by hand

### Spring 2 – Key word definitions test

All years: Your teacher will give you a list of key words and their definitions. Learn the words and definitions ready for a test during lesson time.

### Summer 2 – Create a wordsearch

All years: Think of at least 10 questions where the answer is a key word from your current topic. Then, hide the 10 words (answers) inside the grid. You will be given time during a lesson to swap and complete each other's wordsearches!

## Optional Projects

### Year 5

Create a poster to show your own trinity. Christians believe God takes 3 forms (Father, Son and Spirit). What 3 different things could represent you and your different interests, values, beliefs etc? Draw 3 images and annotate them to explain your choices.

### Year 6

Write a short story where the main character/s face a dilemma and manage to overcome it.

### Year 7
