

Important please read – School communications to parents

15th November 2022

Dear Parents and carers,

I would like to thank you all for your support by accessing Arbor via the parent portal app or online. We now have 100% of parents who have accessed Arbor, which is a fantastic response.

From the 1st January 2023, our next step will be to stop using our text messaging service and send out all correspondence via email, any urgent messages will be sent via push notifications on the Arbor app.

Please ensure that you have the app installed on your mobile phone and push notifications enabled so you can receive such messages. More information and guidance can be found by clicking [here](#) please note that there are different set up options for Android and IOS (Apple) devices. Should you have any difficulties with this process please contact the school office.

Thanks you for you continued support.

Kind regards
Mrs D Farr
Principal
